

Promoting the creative power in people with disabilities

April 6, 2010

Dental Health Associates of Madison, Ltd.  
2971 Chapel Valley Road  
Madison, WI 53711

Thank you for purchasing a table sponsorship for the *13<sup>th</sup> Annual VSA Golf Exhibition with Steve Stricker*. We appreciate your participation in this fundraising event and we'll be proud to recognize Dental Health Associates of Madison, Ltd. as a contributor at the \$1,000 level.

As you are aware, the proceeds from this event will support ongoing arts education and cultural enrichment opportunities for adults and children with disabilities at the VSA Art Center in Madison. Art Center programs and classes enable individuals with disabilities to explore various creative disciplines, including ceramics, dance, printmaking, drawing and painting, and music. These opportunities help participants improve their artistic skills, develop increased confidence and independence, and interact with peers.

We look forward to seeing you and your guests on Monday June 28. Tickets will not be issued; members of your group just need to identify themselves as guests of your company at the registration desk. More information will be sent to you as the event date approaches, including the tax deductible amount of this contribution.

Thank you for joining us in our efforts to create a more inclusive, more promising future for everyone.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kathy Paul".
